sachgemäße Wäschepflege e.V.**

# EUROPEAN CERTIFICATE

The below mentioned company is authorized to bear the Official RAL Hygiene Certificate for the Processing of Linen from the Food Industry RAL-GZ 992/3.

**Steyer Textilservice GmbH  
Gewerbepark „Schwarze Kiefern“  
D-09633 Halsbrücke**

The quality and test regulations of the Official RAL Hygiene Certificate also comprise the quality control system according to the European standard DIN EN 14065:2003

Textiles Processed in Industrial Laundries -  
Biocontamination Control System  
(Risk-Analysis and Biocontamination Control System - RABC)

This also includes the compliance with the minimum requirements for linen according to the International Food Standard (IFS), Item 3.2.2.5. Based on the Official RAL Hygiene Certificate the laundry complies with the microbiological and washing technological quality standards for linen from food processing businesses as stipulated by the Official German Institute for Quality Assurance and Certification RAL and may thus be integrated into the hygiene assurance concept according to HACCP respectively the foodstuff and hygiene regulation.

**Valid from 01 January 2010 until 31 December 2010**
